TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Continuation of 1(c) Other:

The applicants are requested to file a substitute specification (as requested in section 6 of the Office Action mailed October 21, 2009), since the applicants 24-page facsimile to the examiner (on October 14, 2009 -- as applicants mentioned in the 2nd full paragraph on page 11 of the remarks section of the present amendment) was an unofficial communication and not distinctly identified as a "substitute specification" on the specification pages sent by "unofficial" facsimile. An "official" copy of the substitute specification is requested.

Continuation of 2(b) Other:

The replacement abstract includes the following errors:

In the 3rd line, replace the legal term "comprising" with "including".

In the 4th line, replace "shill" with "chill" after "each".

Continuation of 4(e) Other:

The "(New)" claim 26 should not be underlined.

Claim 24 should be amended to be either 1) dependent from claim 17, or 2) have its preamble be changed from "apparatus" to "vent assembly" to be in agreement with the corresponding preamble of independent claim 1.
